

Payment Information

The following payment options for the winning bids will be available in connection with the live and online auctions on the 16th of November:

- Cash payment (*pay on the spot and take the item home with you*)
- Advance Invoicing (*both national & International*) if the person with the winning bid is not present at the live auction (*the invoice will be sent via e-mail to the person with the winning bid, the item will be sent when the invoice is paid - NOTE shipping costs not included in the winning bid price*)

International payments

- All international payments will be invoiced via e-mail and will require payment via an international money bank transfer, all transfer information will be supplied in the invoice e-mail (*NOTE shipping costs are not included in the winning bid price and will vary depending on which country the item will be shipped to, we recommend that each individual finds out the shipping costs as it is not possible for us to know the costs to every country around the world*)

All other sales at the event - cash only!
